ABOUT CAMBRIDGE JUDGE BUSINESS SCHOOL

The reputation of Cambridge Judge Business School is internationally celebrated as a provider of stimulating management education, with a particular emphasis on entrepreneurship and innovation management. With a world-class faculty of over 70 members and a philosophy of collaboration, the School is a place where people from many disciplines meet and share ideas – policy makers, entrepreneurs, leaders of industry, regulators, not-for-profit organisations and academics.

Cambridge Judge Business School offers a distinctive approach born out of the University of Cambridge way, where its programmes are based on leading-edge research from its 19 research centres, and are delivered by world-class faculty. The School leverages the unrivalled resources of the wider University, giving participants a learning experience of unrivalled quality, intensity, relevance and challenge.
