

Please submit your nominated students' details to us via the following online form:

[International Exchange Nomination Form](#)

Nomination Deadline: 20th April 2023

All nominated students will receive confirmation of nomination and we will provide the link to our online application and application guidance notes from our team when the application opens.

Nomination confirmation is not automated, so our team will send this as soon as possible and your students should not worry if they don't hear directly after the deadline.

Applications open: 13th March 2023

Student Application Deadline: 1st May 2023
